Rowing over a 2,500m stretch of the River Nene at Peterborough on a cold but calm winter Saturday morning, two crews, an Intermediate 2 Men's coxed four and a novice Quadruple Scull, recorded two more winter wins.

The Intermediate 2 four coached by Olympian silver medallist Lennie Robertson, of **Ben Farrell**

,
Kennie Gray

,
Jon Okon

and

Alex Watkins

coxed by

Hannah Watts

came second overall in Division 1 and was the fastest coxed four on the water beating the local favourites Peterborough City RC's Senior coxed four.

The Men's Novice Quad of **James Kell**, **Andrew Rae**, **Matt Thompson** and **Albert Bracon** coached by Stuart Sykes were the only entry in their class and there was some confusion as early results on the PCRC website declared them medal winners. Stuart's Loughborough Students Novice Four won their event too.
